

Crossroads of America College Showcase

We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible when planning and scheduling our yearly event structure. The Crossroads of America College Showcase, one of the nation's top college recruiting events, begins on Friday and will require the participating student athletes to miss that day from school.

Players participating in our showcase are exposed to one of the largest concentrations of college coaches in the Midwest. Attracting over 150 college coaches last year, many of the players competing in our showcase expanded their college options by participating.

While we understand the importance of education, we also believe that sport has its place for many of our participants. We hope you will understand and excuse the absence of student/athletes from school on Friday, April 11, 2025 for the Crossroads of America College Showcase.

Please feel free to contact us with any questions.

Sincerely,

Crossroads of America College Showcase Committee
